

Be part of something amazing

Our Charity is run by Volunteers who provide and support all our activities with their knowledge and enthusiasm.

We always welcome new volunteers so if you would like to volunteer please do contact us.

Volunteering offers the chance to make new friends, learn new skills and help make the lives of people living with Dementia and their carers a little easier and more manageable.

All our volunteers receive Dementia Awareness training and we continue to support them in their personal development. DBS checks will be carried out before commencing their volunteering.

We run fund raising events and are always looking for ideas to help raise funds to make our group a success.

What do our services cost?

Our services are free to members. WDSG reimburses volunteers for any out-of-pocket expenses. As a charity we use money raised through our fundraising efforts to help continue our services to anyone who needs them. If you would like to support our work, please consider donating or fundraising for WDSG.
